## Wire-O® Bind

The Semi-Automatic Wire-O<sup>®</sup> Binder provides high-speed Wire-O<sup>®</sup> finishing 'on-demand' from cost-efficient spools.

At 500-1000 books per hour, the Wire-O® Binder is super fast, yet simple to operate with all size and format setups instantly adjustable by user-friendly 'touch screen' electronic controls.

The automatic functions cut, feed and position the wire for insertion; then sends the document to a patented closing unit that now accurately positions the document, without the need for stops or paper guides.

The versatile Wire-O® Binder is designed to work alongside the highly successful Alpha Doc® and DocuPunch® Automatic Punching Machines, accurately finishing a wide variety of documents, including oversize covers & tabbed sheets, for all Wire-O® sizes up to 1-1/4". Together, they are the perfect high-speed Wire-O® finishing solution for today's modern in-plant, digital and 'on-demand' printing environments, where ease-of-use, versatility and productivity are a must.

## **FEATURES:**

- Easy to Use Automatically cuts wire to length, feeds and
  positions wire for insertion; accurately sends book to patented
  closing station, and delivers book to standard pile reception unit.
  No special training required.
- Touch Screen Controls All size and format functions are setup and instantly adjustable by user-friendly 'touch screen' electronic controls. Wire-O® size changeovers in 2-5 minutes.
- Outstanding Productivity Output rates of 500-1000 books per hour, depending on format, paper quality and operator skill.
- **Versatile** Finishes all 3:1" & 2:1" pitch Wire-O® sizes from 1/4" to 1-1/4".
- **Efficient** Finishes from economical Wire-O® spools. Automatic features reduce setup waste.

- Adaptable Finishes flush cut and overhanging covers, as well as extended index tabs.
- Ergonomic Design Operator-friendly with large table-top workstation helps reduce fatigue. Cycles with push-button or foot petal switch.
- Spool Loading At floor level. Wire power lifted into position.
- Binding Format Min: 2" x 5.5"; Max: 13" x 13"
- Wire-O® Diameters All 3:1" & 2:1" pitch from 1/4" to 1-1/4"
- Simple Installation Caster wheels allow easy placement.
   No air required.
- **Voltage Requirements** 110V single phase 60Hz or 220-240V single phase 50Hz available
- **Dimensions** 4' H x 7' W x 2.5' D
- Weight Approx. 625 lbs. unpacked
